

# **Spring 2023 Online Driver Education**

**Enrollment opens: January 17, 2023**

**Enrollment ends: February 28, 2023**

A Driver's Education on-line course is being offered through BOCES for the spring of 2023. The cost for driver's education for BR students is \$70.

**Course starts: March 13, 2023**

**Course ends April 28, 2023**

There are 15 course content sessions and session 16 is an assignment to submit a Driving Log and Parent Signature Sheet. Parents/Guardians are responsible for logging driving hours for their student. The student must complete every session to be eligible for their Driver Education Certificate. Each session is open for 2 full days and will also have one full day to schedule make up sessions.

BOCES is moving away from snail mail and is asking students to submit their documentation electronically. Each student has an email address through BRCS and the guidance office is happy to help access their email.

Please contact Mrs. Slocum in the guidance and counseling office to register for this Spring Driver's Education course at 585-928-2986 or [sslocum@bolivarrichburg.org](mailto:sslocum@bolivarrichburg.org).
