

BRIGHT ALTERNATIVES

The Center for New Hope

November 5, 2015

Dear *Mrs. Crandall Bean,*

Bright Alternatives is a non-profit, pregnancy resource center. It was founded in 1991 in Bradford, PA, and after 20 years of providing quality services, a satellite office was built in Allegany County, NY. The Wellsville office is now staffed and opened three days a week: **Monday 10 - 4pm, Wednesday 10 - 4pm, & Thursday 12 - 6pm** and offers:

FREE & CONFIDENTIAL SERVICES

*Pregnancy Tests * Option Counseling * Emotional Support * Practical Fatherhood Class
Pregnancy & Parenting Education * Earn While You Learn – Beds for Babies Program
Post-Abortive Grief Counseling * Miscarriage Support * Abstinence Education
Material Programs * Continued Friendship & Support*

Our Center is unique because we have the liberty to provide services to anyone in need and are not restricted to individuals only living in Allegany County. Anyone who would benefit from our programs is welcome to call, make an appointment or walk in regardless of where they live. This includes both NY & PA residents.

Additionally, I am available to do presentations on abstinence education at schools or other youth-centered/young adult events. These can be tailored to fit your program's specific needs. If you would like to learn more and/or request free posters or brochures, please call me at the Wellsville office. Our phone number is **(585) 593-0300**. I look forward to hearing from you!

Sincerely,

Rachelle Glauser
